KEYS VERSUS KEY PADS

Well, we tried something new and it just didn't work out. Marina tenants will keep their keys to acquire entrance into the RV Resort. If you have already returned your key, please stop by the office to pick up a new one. We are sorry and apologize for any inconvenience this has caused. Great ideas are sometimes not so great!

FROM THE DOCKMASTER

Our **3rd annual Small Boat & Dinghy Poker Run** was awesome fun and a big success. We had 35 boats and one cyclest...(Tom Schacht from Island Pump-Out did the entire loop on his bike). We got over 60 people out on the water to participate with 78 hands of cards passed out, and the **"5 O'clock Somewhere" party** was the perfect icing on the cake

It's been great to see the other South Bay marinas stepping up and helping us promote this fun annual event which encourages boating and a fun day on the water. Hanna from Calypso Café enjoyed all the folks who came by for lunch, and Coronado Cays Yacht Club was even serving up lunch for some of our crew. Pier 32, Lowes, Fiddlers Cove, Seaforth and our friends on the Bill of Rights all helped out.
